Notes:

1. All members are reminded that it is a condition of storage that all craft, engines, trailers and equipment stored within the confines of the sailing club must be clearly marked with their membership number.
2. Members must ensure all craft and associated equipment must be insured in line with club rules and bye-laws.
3. The club reserves the right to dispose of any craft, engines and equipment left in the confines of the club that are NOT clearly marked with the owner's membership number. Any monies raised from such sale are to be used to defray costs.
4. It may be necessary to relocate items within the confines of the sailing club. In exceptional circumstances, it may be a requirement for members to remove items from the sailing club. Members will be given due notice with pro-rata return of fees.
5. Items must not be stored on sailing club property without prior approval of the committee
6. A tender to each boat for which a mooring fee has been paid to QSC may be kept free of charge in the dinghy pound by the lime kilns (max 2.58m / 8'6" overall).

The trustees and Committee cannot be held responsible for any damage or losses of equipment left on QSC property
